

Saint-Petersburg  
State University  
Research Park

The 1-st interdisciplinary conference

*«Modern Solutions for Study of Natural, Synthetic and Biological  
Materials»*

*St. Petersburg, Russia*

*20-22 October 2014*

*Invitation*

*The Research Park of Saint-Petersburg State University invites You to take a part of the 1st interdisciplinary conference «Modern Solutions for Study of Natural, Synthetic and Biological Materials».*

***FIRST CIRCULAR***

***Conference website:***  
***[researchpark.spbu.ru/ms2014](http://researchpark.spbu.ru/ms2014)***

***Conference e-mail:***  
***[conference@researchpark.spbu.ru](mailto:conference@researchpark.spbu.ru)***

***The concept of the conference***

Is to attract a wide range of researchers, including experts from world level Russian and leading foreign scientific centers, to consider the urgent problems and to discuss the innovative approaches for studying the structure and properties of natural, biological and synthetic materials using modern instrumental techniques

Practical workshops during the conference, where everyone could perform the research of own samples on the equipment of St. Petersburg State University Research Park and acquainted with the new developments of leading manufacturers of scientific equipment would be organized.

## ***Participants***

University professors, researchers, students, doctoral students, graduate students and a wide range of professionals with an interest in the issues discussed are cordially invited to attend the Conference. Full-time participation is only supported. Conference languages are Russian and English. Conference materials will be published in the proceedings book of the conference.

## ***The main discussion topics at the conference***

- Nanostructures;
- Study of biomedical objects by modern analytical methods;
- New analytical methods in material science

## ***Organizing Committee:***

Sergey P. Tunik, Professor, Doctor of Science, Vice-Rector for Research - Chairman;

Sergey V. Mikushev, Doctor of Science, Director of Research Park - Secretary.

## ***Program Committee:***

Vadim Y. Kukushkin, Professor, Doctor of Science, corresponding member of the Russian Academy of Sciences - Chairman;

Dmitrii Y. Vlasov, Professor, Doctor of Science, head of the laboratory of Mycology and Algology;

Oleg S. Grunsky, PhD (Candidate of Geology and Mineralogy), The Director of the Research center for X-ray diffraction studies;

Sergey V. Krivovichev, Prof. Dr., Chairman, Department of Crystallography, SPbSU;

Alexey L. Moskvin - Doctor of Technical Sciences, The Director of the Resource center for chemical analysis and materials research;

Igor V. Murin - Professor, Doctor of Science The Head of Department of solid state chemistry;

Yurii S. Tveryanovich, Professor, Doctor of Science, The Head of Department of laser chemistry and laser material science;

Peter M. Tolstoy, PhD (Candidate of physico-mathematical Sciences), The Director of the Resource center for Magnetic Resonance.

## ***Conference Venue:***

Saint-Petersburg, Peterhof, The Petrodvorets training and research Complex of SPbSU.

## ***Registration***

Conference applications are accepted ONLY by completing an electronic form on the website: [researchpark.spbu.ru/ms2014](http://researchpark.spbu.ru/ms2014)

Abstract submission deadline October 1, 2014. Abstracts can be submitted via the website ONLY:  
[researchpark.spbu.ru/ms2014](http://researchpark.spbu.ru/ms2014)

### ***Guidelines for submission of abstracts***

1. Permitted volume of abstracts of not more than 1 typewritten page (A4 type);
2. Electronic text should be prepared in Word according to the template posted on the conference website: [researchpark.spbu.ru/ms2014](http://researchpark.spbu.ru/ms2014).

### ***Requirements for oral presentations***

1. Presentation format: ppt, pptx;
2. We recommend You to write the presentation file on a flash-drive.

### ***Requirements for poster presentations***

1. Poster format: A0, vertical.

### ***Accommodation***

Russia, 198510, St. Petersburg, Peterhof, St. Peterburgsky Prospect, 34.  
The basic costs per night are as following (incl. breakfast), Rub:

1-person economy	<b>3 200</b>
1-person normal	<b>4 500</b>
2-person economy	<b>3 500</b>
2-person normal	<b>5 900</b>

The best 10 papers will receive financial support for accommodation.

### ***Additional information***

On the results of the contest, young scientists submitted the most interesting reports, will receive financial support as payment of the transport costs.

There is NO registration fee.

Place in the dormitory of the SPbSU could be provided to all interested.

For more information, please contact the Conference Secretariat by e-mail:  
[conference@researchpark.spbu.ru](mailto:conference@researchpark.spbu.ru). The title of letter “**Conference of the Research park**”
